Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI ANNASAHEB M.K. PATIL)

(a): PMGSY is currently funded out of the accruals into the Central Road Fund as per the Central Road Fund Act. The Budget provision for PMGSY during 2003-04 is Rs.2325 crore. A Statement indicating State-wise allocation of funds for 2003-04 is at Annexure-I.

(b): No, Sir.

(c) to (e): Under the PMGSY, quality is sought to be ensured through a three tier Quality Control System, the first two tiers of which are with the State Governments. As per the PMGSY Guidelines, the State Quality Coordinator/Head of PIU shall be the authority, to inquire into complaints/representations in respect of quality of works and they would be responsible for sending. a reply after proper investigation to the complainant within 30 days. The National Rural Roads Development Agency (NRRDA) engages National Quality Monitors (NQMs), as a third tier to verify at random the quality of road works. The State-wise grading given by NQMs is in Annexure-II. The reports of the NQMs are sent to the State Governments to ensure that any infringement/deficiencies detected by the Monitors are rectified and action taken, wherever required as per the PMGSY Guidelines, against those responsible.

(f): The State-wise physical progress in implementation of PMGSY is at Annexure-III.
